

SPECIAL ATTRACTION ON SATURDAY!!!

Retired Canine Demonstration. Since last year's format was such a huge success, we will follow the same format this year. We will have a short course for all the dogs (a tunnel and a few jumps), with a pile of toys at the end, where your dog can select their favorite toy. A rosette (dog neck ribbon) will be awarded to all participating retired canines, which will include your dog's full name, including all titles earned (not restricted to just AKC titles). Please submit a photo of your dog and a short bio that includes all titles. We will have photos and bios posted upstairs for everyone to read at their leisure.

There is no fee for this demonstration. No dog entered in Retired Partners can be entered in the trial.
