The Thanksgiving Agility Cluster Committee would like to say **THANK YOU** to the following people for going above and beyond to make this special event a success.

Katie Novak who has done an amazing job with our vendors to enhance the Thanksgiving Cluster.

Amber McCune who has handled the NAC swag bags for a sixth year. American K9 Country is our sole sponsor for the gifts. Thank you Amber and American K9 Country for believing in our Northeast Agility Championship.

Our Match judges! Having our Make a Difference Match has been a tradition for 11 years. After being at the trial all day, our judges agreed to stay and judge our B Match.

Our VMO's- Pam O'day and Tom O'Brien who have agreed to officially measure dogs in addition with our judge Jan Skurzyinski.

Amanda Rizner who has continued to support the Northeast Agility Championship by donating ribbon holders for our NAC winners.

Christina Branfuhr who has done a fantastic job promoting the cluster on social media and answering questions on the FB Thanksgiving Cluster group.

Jenn and Rob Mechan who graciously agreed to transport ALL the sold items to the Cluster.

Celeste Meade-Maurer offered the use of a beautiful backdrop for our photo area. Again, Celeste and American K9 Country are invaluable to the cluster.

All our Chief Course Builders and Ring Masters who made this trial the special event that it is.

Every LEAP and TMAC member that contributes their time and energy to support their clubs.
