## Agility Toys US

Unique quality toys for training and play from the UK, Europe, and US. SWAGK9 head collars and bungee leashes.

## All Breed T's

T-shirts, sweatshirts, Christmas ornaments, tote bags

## Beauty of the Beasts

Stop by the Beauty of the Beasts booth for unique ladies' and men's dog sports tees and hoodies - agility, scent work, breeds and more! Check out our tie dye and sale racks, Italian charms, fur + fleece dog tugs and chase toys. Looking forward to seeing you all!

## BEMER

BEMER stimulates healthy muscles to improve and facilitate muscle performance. BEMER devices temporarily increase poor blood circulation in healthy muscles by using pulsed electromagnetic field therapy.

## BioDogDesigns and Training LLC

We make a wide variety of dog gear out of Biothane material including leashes, collars, tog toys, harnesses, and so much more!

## Bull and Bear Homestead

Bringing you and your pets healthy, single ingredient, locally sourced treats and chews. We will have dehydrated pet treats and chews, as well as EVA foam rings/toys.

## Canine Sniff Lab

Unique 3D printed scent vessels for canine nosework and other scentwork supplies!

## Castledog Designs

All handmade dog collars, leashes, toys and crate pads.

## Core Pawtential

We provide canine trigger point massage for dogs of all ages, breeds, and lifestyles. Canine trigger point massage is uniquely beneficial to canine athletes to address restrictions in muscle groups so your partners can perform to the best of their pawtential!

## Crown Creations

Bespoke leather collars & leashes made to your specifications!

## Ginkgo Lens Photography

Ginkgo Lens Photography is proud to bring the studio experience right to the trial! With our backdrops, lights, and props - we can capture even the zoomiest of pups and pups-at-heart. If you're after personality-driven portraits, professional headshots, or adorable holiday photos, then come check us out!

## Hands of Wisdom LLC | Wisdom Way Farm LLC

Karen does pet/animal & human being intuitive/psychic readings!
