

Wide World of Sports has a soccer camp using the facility until 6pm.

They are graciously making an exception and allowing us access early.  
BUT we will not have access to the full building, including bathrooms, until 6pm.  
We cannot be in the section with the food vendor and restrooms.

We will begin setting up at 2pm. Anyone that can come and help will be greatly appreciated. EVERYONE must use the entrance at the end of the building.

Entries for the match will be taken at approximately 4pm. We will start the match when the rings are built.

**BUT BUT BUT** – remember –no bathrooms –so plan your bladder accordingly. Bob & Timmies is not open so there is nothing available unless you drive to a gas station.
