INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.
