VOLUNTEER INFO

Historically, the Thanksgiving Agility Cluster Trials have been the largest AKC agility shows in the country! Running four rings simultaneously requires many volunteers.

We know that not everyone is available to help at trials. However, because of its size, our event requires many volunteers to keep the rings moving. If you could squeeze in a little time to volunteer for a class or two, it would be a huge help.

All workers will receive a voucher for each class worked. **AGAIN THIS YEAR, THE VOUCHERS CAN BE USED AS PAYMENT TO ANY VENDOR OR FOOD CONCESSION IN THE AGILITY BUILDING.**

There will be multiple shifts of workers to cover the larger classes.

THE WORKER SPREADSHEET WILL BE AVAILABLE ONLINE UNTIL NOVEMBER 18th. CLICK ON THE LINK BELOW.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular tiling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
