# WE NEED YOUR HELP

The success of EVERY agility show, regardless of how big or small, rests with generous volunteers who staff the rings and ensure that the events run smoothly. To everyone who volunteers at agility trials, we say THANK YOU—the show cannot go on without you!

Keeping things running smoothly requires many volunteers. Whether you are a novice or a long-time agility enthusiast, volunteering is a terrific way to get to know your fellow competitors and get a ringside view of the action. Agility trials are an important part of the agility community. Exhibitors enjoy the camaraderie, friends, practicing new skills, and earning titles. Due to the Covid-19 virus pandemic, we have had to change many things in our daily lives, the same is true for agility. We have been planning, evaluating, and researching ways to safely hold agility trials. We will be complying with the Connecticut Governor's guidelines for opening the state and for gatherings. If trials cannot be held, we will notify all competitors by email before the closing and all checks received will be shredded.

TMAC wants exhibitors, workers, and judges to be in a safe environment. As a result, there will be changes to our trial format and we will be imposing new guidelines and restrictions.

1. The entry limit has changed to a limit of 45 handlers per trial. There will be 2 trials per day to maximize participation, while maintaining a safe environment.
2. **Crating:** Crating in Little Paws will be extremely limited to ensure safe distancing. There will be space available for outdoor crating (bring your own shade); or you can work from your car. Un-entered dogs will not be allowed in Little Paws crating area. Only 5 people will be allowed in the building at a time for set-up. **All items must be removed from Little Paws when you leave after your runs on Saturday; even if you are running both days! The building will be sanitized overnight.**
3. Additional parking will be available. See Trial Confirmation for details.
4. Anyone entering either building will need to wear a mask which will include the judge, all workers and ring crew. Exhibitors do not have to wear a mask when they run, but will be required to put their mask on before and after their run.
5. Exhibitors will maintain six-foot social distancing inside and outside the building. Please be respectful of your fellow exhibitors.
7. There will be no seating/viewing area and no chairs will be allowed in the main building.
8. A gate steward will be at the door directing you as to when to enter the building for walk-thrus and running your dog. A worker will open the entrance and exit gates for your run.
9. Only 3 or less exhibitors will be allowed in the building while they are in que for their runs. TMAC will provide additional shade outside for waiting and have audio set up so you can hear who is on deck.
10. Handlers may place their leash in their pocket or wear them while running the course. If handlers elect to drop their leash as the start, a leash runner will use a grabber to pick up and transport the leash, sanitizing after each dog.

11. Results will be posted outside the building. In addition, results will be emailed to the exhibitors following the trial weekend.
12. Course maps will be posted in multiple locations in and outside the building for exhibitors to take pictures. There will be paper course maps for those that choose, but please do not share!
13. There will not be food or beverages at the trial. Competitors will need to bring their own food and drinks.
14. Please do not bring MACH cakes or desserts to share with exhibitors.
15. Ribbons will not be self-serve. A worker will place stickers on them and have them available at a table outside of the building.
16. There will be plenty of soap and paper towels. Please wash your hands frequently. There will also be single use gloves available provided by TMAC. We will have a limited amount of hand sanitizer, therefore, we recommend you bring your own, as well as your own mask.
17. **ONLY** dogs who are entered in this trial will be measured; dogs will be measured by the VMO only. Please teach your dog to stand on a table with someone sitting by them to make it easy on dogs and VMO. If a dog is not compliant, they might not get measured for it would be impossible for the handler and the VMO to be 6 feet apart with a dog that is unsure about the process.
18. Briefings will be outside of the building, there will be no obsessive walk-throughs and walk-throughs will be limited to approximately 15 handlers or less.
19. Agility equipment that is touched, restrooms, doors, tables, chairs, etc. will be cleaned/sanitized throughout the day.
20. There will be ONE-WAY doors for both Little Paws and the Main Building, to help with the flow of traffic and keeping distance.

***\*\*By entering this trial, I agree to comply with all guidelines set in place by TMAC, Paws N Effect, the CDC, and federal, state, and local governments. I understand that I am voluntarily participating in this event entirely at my own risk and accept sole responsibility for my own health and safety.***

If you are entering this trial, be sure you are comfortable with our new guidelines and are willing to comply with social distancing and wearing a mask. Exhibitors not complying with these guidelines may be excused from the trial.

Sincerely,

## CLASS CHANGES EFFECTIVE JANUARY 1, 2020

### **Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes in the same trial and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred in the same trial.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW in the same trial.

**A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial/trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial throughout of the weekend.**

**When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1<sup>st</sup> run entry fee is only paid once per trial, per dog, even if that dog's runs have been submitted on multiple entry forms.**

### **Entering For Exhibition Only (FEO)**

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
  - Toys must be non-audible
  - Toys may not leave the handler's hand
  - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

***(Note: This section only needs to be published in the Premium List if the Club is offering FEO.)***

### **Fix and Go On (FNG)**

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

If because of riots, civil disturbances, extreme weather, or other acts beyond the control of the management, it is impossible to open or to complete the trial, no refund of entry fees will be made.

**ERRORS ON ENTRY BLANKS-**Owners are responsible for errors in making out entry forms, and no entry fee will be refunded in event of such errors or cancellation of entries after trial has closed.

**JUDGES ARE NOT REQUIRED TO WAIT FOR DOGS.** The owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

**INSTRUCTIONS**

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.
