

Welcome to the Talcott Mountain Agility Club Agility Trial!

Let's face it -this has been a really tough year. Though the clubs decided it wasn't safe to hold an event as large as the Thanksgiving Cluster, TMAC pursued holding a smaller trial in Tolland CT. We've tried to make this a special event by including Team Competition on Friday and the Northeast Agility Championship on Saturday with the final occurring on Sunday. In addition, we are celebrating those that earned a MACH or PACH in 2020 plus a special corner for all that have earned an Agility Grand Champion! Thank you for joining us for this weekend Please make note of the information included and contact me if you have any questions. Please send an email to noreen@pawprinttrials.com so I may have a printed copy. If you don't have email, please leave a clear, detailed phone message at 413 283 4490. Best of luck for a clean run!

Please adhere to the Covid rules and guidelines outlined in the premium. If you have any questions or need clarification, please email Trial Chairman Steve Basson bogeybassn@cox.net or Tricia McKnight tmck@outlook.com

Join the Facebook group created for this trial. [TMAC November 2020](#)

Maps, real time walk thrus and course building will be posted on this page. Please feel free to post your runs and brags and anything else that helps make this trial a happy social event!

- **Confirmation Information** Please verify all information emailed separately. If there are any discrepancies, please contact me as soon as possible so I can correct the situation.

- **Crating** There is plenty of room for crating. Please keep socially distance when setting up your crate.
- **Set Up** The grounds will be available for set up on Thursday after 4pm.
- **SITE INFORMATION** Star Hill is an athletic facility that includes a main building with a pool and exercise areas and a cafe, and a large pressurized dome with soccer fields. Please enter the dome where designated through either the revolving doors or the pressure lock entrance. There will be an area in front of the dome for loading and unloading only, after which all vehicles must be driven back to the parking lot. ***No vehicles may be parked between buildings. COVID Rules

TMAC will be enforcing safety regarding Covid guidelines. Please be responsible and wash your hands frequently, maintain social distancing when possible etc. Masks are required inside the facility even while in the ring unless you have presented a doctors certificate in advance.

This trial is not open to the outside / public. Unless you are part of the trial (handling, volunteering, etc.), you should not be in the agility area.

Northeast Agility Championship

Since the AKC Nationals were canceled in 2020 due to the pandemic, TMAC has decided to offer its own version of the Nationals on a smaller local scale. Our intent is to give competitors a “look and feel”, similar to what they would experience had the event been held

This trial will run as a normal trial. Enter this trial even if you have no aspirations of competing in the Championship. The Championship is only for those people who choose to enter. Everyone in a class will run together. If there are 30 teams in a height/class, perhaps only 10 of those teams are entered in the Championship. The class will function as it normally would. The only difference is that the scores for the 10 teams that opted to be in the Championship will serve a dual purpose in that they will also be used in qualifying for the Finals.

The classes that will determine your score to qualify for the Finals are Standard, JWW and Time to Beat on Saturday and Premier JWW on Sunday. We will total the scores from Saturday to determine who makes finals. The score from Premier JWW on Sunday will only be used for those that would have qualified for the Challenger’s round at the AKC Nationals

The finals will be held after all classes have finished on Sunday. A rosette and bar will be awarded to the Winner in each height division. Please stay and cheer your favorite team! We have over 50 teams entered!
