

## Welcome to the Yankee Golden Retriever Club Agility Trial!

YGRC is proud to hold a springtime Agility Trial. Having an indoor trial during the spring is extremely beneficial to New England exhibitors so please thank the club for putting on this effort. Please make note of the information included and contact me if you have any questions. Please send an email to [noreen@pawprinttrials.com](mailto:noreen@pawprinttrials.com) preferably so as I may have a printed copy. If you don't have email, please leave a clear, detailed phone message at 413-283-4490. Best of luck for a clean run!

**DON'T forget to change your clocks for Sunday. SPRING ahead! Yup we lose an hour sleep!  
(YAWN)**

- **Confirmation Information** Please verify all information emailed separately. If there are any discrepancies, please contact me as soon as possible so I can correct the situation.
- **Jump Height Cards** This trial will not have an official measurer. Due to Covid, no dogs will be measured this weekend.
- **Food** Food will not be available.
- **Video Services** Video services will be provided by Paws in Action <http://www.pawsinaction.net>
- **Crating** Crating is upstairs. Though the crating area is large, please be considerate of others. Please keep the first 3 rows for chairs and viewing only. There is plenty of room for crates in the middle of the room and along the walls. The corner is for the videographer when he is present. If there is no videographer, that section is also for chairs, not crates.
- **Set Up** Exhibitors can set up any time after 7:00 am each morning.
- **VOLUNTEERS** Please sign up when you arrive at the trial.

Due to Covid, there will be no paper copies for maps. They will be posted the night before, before 9pm, on my website and on the Facebook page.

We will have live streaming available so you can watch runs and plan your strategy!!  
The link is available on American K9 Facebook page. I will also post it on the front page of my website.

**Masks must be worn indoors at all times including while running your dog.  
Masks must be close to the skin at the bottom.**

Now that we have moved into the colder season, more people are choosing to stay inside during the trial.

- It takes **extra effort** to maintain social distance.
- It takes **extra effort** to remember to put your mask back on after you eat lunch.
- It takes **extra effort** to not touch the railing.

Today, it takes **extra effort** to do just about everything.

PLEASE remember to take the **extra effort** so we may continue to have a safe environment for our agility trials.

Take a photo of the gate sheet and follow along with livestream or Bill Young's TV. We need to avoid crowding the gate sheet.
