## SITE INFORMATION

**Attention:** For safety reasons, no vehicle traffic is permitted between the permanent building and the bubble. This includes parking, loading or unloading of any vehicle except for trial personnel moving equipment in and out of the facility.

This trial will be held at a large indoor sports complex inside a pressurized dome. The dome must be entered either through revolving doors or through a pressure lock - you enter through an outside door, the door is then closed, and the inside door is opened.

There is a permanent building that houses a swimming pool and a café that serves food adjacent to the dome. NO DOGS ARE ALLOWED IN THE PERMANENT BUILDING. There is ample parking, but it is a distance from the dome.

As always, everyone must pick up after their dogs and have them on leash while on the show premises. Exercise areas will be marked. Dogs are not permitted on the landscaped areas around the buildings.

More information about the site can be found at [www.starhillsports.com](http://www.starhillsports.com).

**MATS MUST BE PLACED UNDER ALL CRATES. No food or drinks other than water is permitted on the turf. Chairs will be allowed in the back crating area only. No chairs on the turf. Ex-pens and play pens will be allowed in the back crating area only.**

No practicing in the rings is allowed at anytime. **ALL DOGS MUST BE ON LEASH AT ALL TIMES EXCEPT WHEN IN THE RING OR IN THE DESIGNATED WARM-UP AREA.**

### **FOR EXHIBITION ONLY (FEO)**

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

### **FIX AND GO ON**

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

## **WE NEED YOUR HELP**

The success of EVERY agility show, regardless of how big or small, rests with generous volunteers who staff the rings and ensure that the events run smoothly. To everyone who volunteers at agility trials, we say THANK YOU—the show cannot go on without you!

Keeping things running smoothly requires many volunteers. Whether you are a novice or a long-time agility enthusiast, volunteering is a terrific way to get to know your fellow competitors and get a ringside view of the action. Even if you've never volunteered before, we welcome and appreciate your help.

**INSTRUCTIONS**

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners<sup>SM</sup> program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? \_\_\_\_\_
