Confirmation Information

- Please verify all information at the bottom of this email. If there are any discrepancies, please contact me as soon as possible so I can correct the situation.

Jump Height Cards

- This trial will not have an official measurer. Therefore, no dogs will be measured due to current Covid restrictions.

Results Matter

- All results will continue to be posted after the trial. Our new feature will keep track of results for your dog. You may access these results by clicking on your dog's name in your record OR by clicking on **My Entries/Results**. If wifi is available, results will be posted throughout the day.
- You can get a text alert with your results sent directly to your phone, by the end of each class. Sign up for Alerts by clicking on your name, then **Alerts.** Alerts will only be sent if wifi is available for us to upload results during the day. We hope you enjoy these new enhancements to PawPrint Trials.

Maps

- Paper maps will be available.

Masks

- Masks are required at all times while in the building.

Prior-Day Check-in

- You may check in the day before trial to avoid crowding around gate sheets in the morning. Click on Prior-Day Check-In on the first page of my website. Then either check in or mark yourself Absent, if you know you will be unable to attend the next day. This button will only show the day before the trial. Check in will be allowed from noon to 5pm, the day before the trial. After 5pm, this feature will be closed so we can print gate sheets for the next day.

Set Up

- Exhibitors can set up any time after 6:30am each morning.
- Walk thru begins at 7:45am, judging begins at 8:00am. For a full breakdown of running orders including
