

# Welcome to the Icelandic Sheepdog Association Agility Trial!

Please make note of the information included and contact me if you have any questions. Please send an email to [noreen@pawprinttrials.com](mailto:noreen@pawprinttrials.com) preferably so as I may have a printed copy. If you don't have email, please leave a clear, detailed phone message at 413-283-4490. Best of luck for a clean run!

## Confirmation Information

- Please verify all information at the bottom of this email. If there are any discrepancies, please contact me as soon as possible so I can correct the situation.

## Jump Height Cards

- This trial will not have an official measurer. Therefore, any dog that is on the to be measured list will not need to be measured due to current Covid guidelines.

## Mask and Waivers

- Per the club, all exhibitors and spectators will need to present vaccination cards in order to remain unmasked. If you cannot present a vaccination card, masks will be required at all times when in the building. Please present your card and completed waiver upon arrival, prior to entering the building. After your waiver and proof of vaccination is received, you will be given a wristband to wear. If your wristband is lost, you will need to present your vaccination card again. The ISAA strongly encourages even those who have been vaccinated to follow CDC guidance and to wear masks when inside buildings and in close proximity to others. If you have any questions, please contact Loren Dribinsky [loren.dribinsky@gmail.com](mailto:loren.dribinsky@gmail.com)

## Prior-Day Check-In

- You may check in the day before the trial online by clicking Prior-Day Check-In at the top of my website. You may check yourself in or mark yourself Absent, if you know you will be unable to attend. This will decrease the number of people crowding around the gate sheets. Prior-Day Check-In will only show the day before the trial and is available from noon -5pm only. After 5pm, this feature will be shut off to allow us to print gate sheets for the next day.
- You can receive a text alert, at noon, as a reminder to check-in. You may enable this feature by going to my website, click on your name and then ALERTS.

## Real-Time Run Order

- Real-Time Run-Order will be in use for this trial. Click on Run-Order at the top of my screen each day. The run order will update every few minutes. This will allow you to plan when you will be in the ring with your dog.

## Results Matter

- All results will continue to be posted after the trial. Our new feature will keep track of results for your dog.

You may access these results by clicking on your dog's name in your record OR by clicking on **My Entries/Results**. Results will be posted throughout the day.

- You can get a text alert with your results sent directly to your phone, by the end of each class. Sign up for Alerts by clicking on your name, then **Alerts**. We hope you enjoy these new enhancements to PawPrint Trials.

## Maps

- Per the club, there will be no paper copies for maps. Copies will be posted on the wall.
- They will be posted at [www.pawprinttrials.com](http://www.pawprinttrials.com) by 5:00am the day of the trial.

## Set Up

- Exhibitors can set up any time after 7:00am each morning.
- Walk thru begins at 7:45am, judging begins at 8:00am. For a full breakdown of running orders including the walk thru schedule, download the confirmation letter from [www.pawprinttrials.com](http://www.pawprinttrials.com).

## Crating

- Crating is upstairs. Even though the crating area is large, please be considerate of others. Please keep the first 3 rows for chairs and viewing only.
- There is plenty of room for crates in the middle of the room and along the walls.
- The corner is for the videographer when he is present. If there is no videographer, that section is also for chairs, not crates.

## Food

- Food will not be available.

## VOLUNTEERS

- Please sign up [Icsey Volunteers](#) Because it is a one ring show, there is ample opportunity to volunteer. Please Support the Sport.
