

General Information including how to use our technology, how to volunteer, parking etc.

Due to the volume of information we will be sending you regarding the Cluster, we felt it would be best to break it into multiple emails. Please review your classes and email me as soon as possible with corrections.

If you need to move your dog up, please click on MOVE UP on my website and move to the appropriate class. Deadline for Move-Ups is Monday, November 22nd, 6pm, per AKC.

We would like you to take advantage of all the technological opportunities that we are offering. It will provide a safer and more efficient trial, which is especially important in today's environment.

Text Alerts

- To receive Text Alerts, go to www.pawprinttrials.com, sign in and click on your name, then ALERTS. After you have completed the process of signing up, go back to ALERTS and enable your preferred ALERTS. Prior Day Check-In and Run Results will be helpful for the Cluster.

Prior-Day Check-In

- Prior-Day Check-In will help ease the morning rush to check-in and alleviate crowding around the gate sheets. You may check in the day before the trial online by clicking Prior-Day Check-In at the top of my website. Prior-Day Check-In will only show the day before the trial and is available from noon -7pm only. After 7pm, this feature will be shut off to allow us to print gate sheets for the next day. You can receive a text alert, at noon, as a reminder to check-in. You may enable this feature under ALERTS.

Real-Time Run-Order

- Real-Time Run-Order will be in use for this trial. Click on Run-Order at the top of my screen each day. Each ring will be displayed with a list of exhibitors and a time of their run. The run order will update every few minutes. This will allow you to plan when you will be in the ring with your dog. You will be able to view it if you are in another building, your car or still at home! Note: a published run order will still be posted a few days before the trial, under the Cluster. The published run order is only an estimate of run times and running order of exhibitors. The **Real-Time Run-Order** is on the front page of my site and will be updated continually throughout the day.

Team Competition

- Sign up for Team competition for Saturday. [Choose or create a team](#). If you don't have enough dogs for a team, join one of our **special** teams. ***Bark in the Park**, ***Keeping it SMOOTH**, ***Potluck Saturday** or ***Short and Sweet**. All teams must sign up online by Friday, November 26th . Scores will automatically be tabulated. Rosettes will be awarded for First, Second and Third place teams!

Versatility

- If your dog has earned a title in another AKC recognized sport click [your dog's name and OTHER SPORTS](#) Select a sport and click "Add". Qualifying scores from Standard and JWW will be used to determine the winner. We will automatically calculate the highest scoring dog with the required title.

Exhibitors must sign up by Thursday, November 25th. The winner in each category will receive a rosette! For a full list of sports and which days apply, view Versatility under the Cluster information on my site.

Results Matter

- All results will be posted at the end of the day. Our new feature will keep track of results for your dog. You may access these results by clicking on your dog's name in your record OR by clicking on My Entries/Results. Results will be posted throughout the day. You can get a text alert with your results sent directly to your phone, by the end of each class. Sign up for Run Result by enabling this feature under Alerts.

A message from Clean Run

After much discussion with our employees, Clean Run has decided that we will no longer be doing booths at trials. It was a hard decision to make after all these years, but it's gotten too hard to staff and stock the booths.

Since we'll miss seeing you at the Cluster, we thought we'd invite you to "our house" during that weekend! We are going to extend our store hours and offer a 20% DISCOUNT to any of you who would like to visit the warehouse and shop in person.

Friday hours - 9 a.m. to 7 p.m.

Saturday hours - 9 a.m. to 5 p.m.

Good luck to all of this year's exhibitors!

Monica Percival

This is the second confirmation for the Thanksgiving Agility Cluster. Your final confirmation, with class and run order, will be sent by the end of the week.

Once again, please check your entry information. **Move-Ups** can be done on my website by clicking the Move-Up button at the top of the main screen. If there are other corrections that need to be made, please email me noreen@pawprinttrials.com

Northeast Agility Championship

- If you are entered in the Northeast Agility Championship (NAC), you will receive a separate email later this week with specific information for this special event!

Jump Height Cards

- We will have official measuring for our trial. If your confirmation information states "Needs to be Measured", your dog must be measured by a Volunteer Measuring Official (VMO) before he/she can run. One measurement is needed for all dogs competing between the ages of 15 months to 2 years. The yellow copy of the form will be your only proof of measurement. At 2 years old, dogs will need to be measured twice by two different VMO's. The AKC will send out a permanent height card after they have received both measurements. Measuring will occur throughout the day Friday, Saturday, Sunday and Monday.

Fees for Parking

- Parking fees are \$5 per day per car, \$30 per day per trailer/RV. Spaces are first come, first served. The east side of the building is open to RV parking for all exhibitors along with the other areas around the grounds.

Volunteers

- We need almost **1800** volunteers to make this event happen. Please sign up to volunteer. [Cluster 2021 Volunteer link](#) Online sign up ends November 22nd. Volunteers will receive tickets for each class worked. Tickets may be used at the food booth in the agility area, for purchases from any vendor in the Mallary Building including PawPrint Trials, or donated to the Make a Difference Match. The worker schedule is subject to change so if you have already signed up, please verify your class. Thank you so much for supporting the sport. We couldn't do it without you and we all thank you!

Picture Perfect

- We will have an area decorated specifically for exhibitors to take pictures with their dogs and ribbons! Grab your phone, take some pics and start sharing on social media!!

Novice Exhibitors

- If you are a Novice A or Novice Preferred exhibitor that is new to the sport, we would like to make your first experience at the Thanksgiving Cluster a wonderful experience. We are here to help you. Please email Steve Basson bogeybassn@cox.net

- If you earn a perfect score in Novice, be sure to take a PERFECT SCORE ribbon!

On-Line Store

- Last chance to purchase items from our [On-Line Store](#)! All proceeds, including NAC and Turkey Collar items, will benefit [Not One More Vet](#). Please support all of those that work in the veterinary field. You may also contribute directly by writing a check or donate your Volunteer tickets to support NOMV.

Zero Tolerance

In the past, the Eastern States Exposition (ESE) has had several problems with dog-related events. As a result, the Thanksgiving Agility Cluster has adopted a ZERO TOLERANCE POLICY regarding the show grounds and hotels. Show grounds are difficult to come by. It is your responsibility to treat the grounds with respect. It is also everyone's responsibility to report anyone not adhering to these guidelines.

Grounds for excusal for the remainder of the weekend:

- Any exhibitor who does not pick up after their dog
- Any exhibitor who tampers with ESE property. This includes building doors, electrical plugs, bathing of dogs, etc.
- Any exhibitor who leaves a barking dog in a hotel room
- Any exhibitor who leaves the conditions of the hotel room unacceptable
- Refusal to abide by any request from the show committee or staff of the ESE
- Refusal to abide by any posted signs
- Any exhibitor who allows their dog off leash except while in the ring or in the training area

AKC Code of Sportsmanship

Please refer to the [AKC Code of Sportsmanship](#) . The Thanksgiving Cluster will be adhering to this code.

And last but not least, please take a moment to read about those who have contributed to the success of our special weekend. [We appreciate you!](#)
