

## **Out with the Old !2021! and in with the New Year !2022!!**

Hello Competitors!

Unfortunately, the positivity rate is rising and to keep everyone safe at our trial we decided we need to mask up while you are in the building. If you choose, you may drop it while running the course. You may also eat in the lobby without a mask. Keep in mind, our judge has the option to not wear his mask while he is in the ring, as he is fully vaccinated. Also, the judge and trial secretary may be maskless while they are working at their table. Please maintain social distancing with both of them.

Thank you for understanding that we need to keep everyone safe. We will have two raffles to keep things rolling each day. All NQ's qualify for raffle to win a \$21.00 Paw print certificate and all Q's with the number 22 in its time will qualify to win a \$22.00 gift certificate. Grab your yellow copy of your scribe sheet and put it the NQ or Q basket.

Any questions or concerns please contact me [kathylesinski@gmail.com](mailto:kathylesinski@gmail.com)

Looking forward to seeing you all at the trial and to the New Year!
