Any wait-listed entry that does not move off the wait list into the trial by Sat., April 23 at 6 p.m. will receive a refund.

**MOVE-UPS & CANCELLATIONS:** In order for move-ups and cancellations sent via email to be valid, exhibitors must receive an acknowledgement from the trial secretary. *If you do not receive an acknowledgment, assume that your request has not been received.* No refunds or changes will be made without the trial secretary's acknowledgement.

Refund requests must include a veterinarian's note and be received by the trial secretary no later than ½ hour prior to the start of the first class of the day. There will be no refund for injury or illness after entries close.

### **FOR EXHIBITION ONLY (FEO)**

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the

Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

### **FIX AND GO ON**

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

**INSTRUCTIONS**

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners<sup>SM</sup> program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? \_\_\_\_\_
