### Jump Height Cards

- This trial will not have an official measurer. Therefore, any dog that is on the to be measured list will not need to be measured due to current Covid guidelines.

### Prior-Day Check-In

- You may check in the day before the trial online by clicking Prior-Day Check-In at the top of my website. You may check yourself in or mark yourself Absent, if you know you will be unable to attend. This will decrease the number of people crowding around the gate sheets. Prior-Day Check-In will only show the day before the trial and is available from noon -5pm only. After 5pm, this feature will be shut off to allow us to print gate sheets for the next day.
- You can receive a text alert, at noon, as a reminder to check-in. You may enable this feature by going to my website, click on your name and then ALERTS.

### Real-Time Run Order

- Real-Time Run-Order will be in use for this trial. Click on Run-Order at the top of my screen each day. The run order will update every few minutes. This will allow you to plan when you will be in the ring with your dog.

### Results Matter

- All results will continue to be posted after the trial. Our new feature will keep track of results for your dog. You may access these results by clicking on your dog's name in your record OR by clicking on **My Entries/Results**. Results will be posted throughout the day.
- You can get a text alert with your results sent directly to your phone, by the end of each class. Sign up for Alerts by clicking on your name, then **Alerts.** You may choose to receive only your Q's.
