## Confirmation Information

- Please verify all information at the bottom of this email. If there are any discrepancies, please contact me as soon as possible so I can correct the situation.

## In Celebration of Chris Klein

- As many of you know, Chris Klein was instrumental in the success of Saluki trials. Chris lost her battle with stomach cancer on July 21st.
- We will have a toast to her life after Novice Standard.
- If you volunteer, you will receive \$2. You may donate the \$2 back and we will send it to the Chris Klein Scholarship fund. (see below)
  - A scholarship in Chris's honor has been established to support students at the UW School of Veterinary Medicine. Please make checks payable to the UW Foundation and send them to the UW Foundation, US Bank Lockbox, Box 78807, Milwaukee, WI 53278-0807 or online at <https://supportuw.org/giveto/KleinScholarship>.
- PawPrint Trials will match each \$2 to donate to the scholarship fund.
- There will be a video in the lobby of Chris and photos of her life.
- We are collecting "Chris'isms" such as Ab-Saluki! Please email me your favorite "Chris'ism" or a short story about how you met Chris or a funny story that gives you a happy memory of Chris.
- Please submit by Sunday pm.

## Jump Height Cards

- All dogs competing in agility must possess an Official AKC or valid yellow measuring form.
- This trial does not have a VMO. As of August 1st, the **Judge of Record** will need to measure **all** dogs that do not have cards prior to the first run for the dog that day per Chapter 2, Section 5, Paragraph 5.
  - The following exceptions apply, because there is no VMO present.
    - If your dog measures over 22", your dog does not need to be measured for this weekend.
    - If your dog is over the age of 2 and has ONE permanent measurement, your dog does not need to be measured for this weekend.
- All other dogs that do not possess an Official AKC or valid yellow measuring form must be measured by the Judge of Record prior to running.
- Measuring will occur throughout the day. Please arrive in plenty of time to be measured before you walk the course.

## Prior-Day Check-In

- You may check in the day before the trial online by clicking Prior-Day Check-In at the top of my website. You may check yourself in or mark yourself Absent, if you know you will be unable to attend. This will decrease the number of people crowding around the gate sheets. Prior-Day Check-In will only show the

day before the trial and is available from noon -5pm only. After 5pm, this feature will be shut off to allow us to print gate sheets for the next day.

- You can receive a text alert, at noon, as a reminder to check-in. You may enable this feature under ALERTS.

### **Real-Time Run Order**

- Real-Time Run-Order will be in use for this trial. Click on Run-Order at the top of my screen each day. The run order will update every few minutes. This will allow you to plan when you will be in the ring with your dog.

- All results will continue to be posted after the trial. Our new feature will keep track of results for your dog. You may access these results by clicking on your dog's name in your record OR by clicking on **My Entries/Results**. Results will be posted throughout the day.
- You can get a text alert with your results sent directly to your phone, by the end of each class. Sign up for Alerts by clicking on your name, then **Alerts**. You may also select to only receive a text message with Q's.
