Northeast Agility Championship

Challenger's Round

THE NORTHEAST AGILITY CHAMPIONSHIP (Optional)

Purpose: To give our competitors at the Cluster the “look and feel” of what it is like to compete at the Nationals, we are offering our own version of the Nationals. Whether you have qualified for the Nationals or not, you may compete in our Northeast Agility Championship. PLEASE NOTE, THIS IS OPTIONAL. You may enter classes as you would normally and choose not to enter the Championship/Finals.

Who is eligible: Event is open to all teams eligible to compete in the Excellent and Master Class for Standard and JWW.

Divisions: There will be 10 separate divisions based on jump heights. There will be 5 Regular jump heights (8, 12, 16, 20, and 24) and 5 Preferred jump heights (4, 8, 12, 16, and 20). The 24C class will NOT be offered. There must be at least 4 dogs entered in each Preferred division or that division will be combined with the “Regular” height. (ex. 8P will compete with 12” dogs if there are not at least four dogs entered in the 8P class)

How to Enter: If you wish to compete in The Northeast Agility Championship, you must be entered in the Standard, JWW, and Time to Beat classes for Friday AND Premier Standard on Saturday.

Those are the classes that will determine your score to qualify for the Finals. You may enter other classes as well, but only scores from those classes will count towards your eligibility for the finals.

Jr. Handlers: Cumulative overall winners from each scored jump height (4, 8, 12, 16, 20, 24) will be invited to compete in the Finals. If a junior entrant competes in the Finals round, an additional Finals entrant will be added as if the Junior entrant was not included.

Finals: The Finals will be held after all classes have finished on Saturday. A special prize will be awarded to the winner in each division with rosettes for the top 3 finalists.

Fees: The fees for the regular classes are stated in the premium. If you wish to compete for the Championship, please check the appropriate box.

What else do you need to know: This trial will run as a normal trial. You may enter this trial even if you have no aspirations of competing in the Championship. The Championship is only for those exhibitors who choose to enter. For example, there may be 30 dogs in a height/class; of those 30 dogs, perhaps only 10 are entered in the Championship. The class will function as it normally would. The only difference is that the scores for the 10 dogs entered in the Championship will serve a dual purpose in that they will also be used in qualifying for the Finals.

Description and Scoring

The competition will consist of:

Friday November 25

Round 1 – Standard Class

Round 2 – JWW Class

Round 3 – Time 2 Beat (Hybrid)

Saturday November 26

Round 4 – Premier STD (Challenger)

Round 5 – Finals

Scores for Friday will be the aggregate scores from Rounds 1, 2 and 3. The top scoring 25% of teams entered in the Championship in each division, minimum of 4 teams (if possible) and not to exceed 9 teams, will advance to the Finals on Saturday. Of the next top 5 scoring teams from Friday, we will take the top scoring team in each division from Saturday’s Premier Standard class and place them in the finals. In the event there are less than 4 dogs entered in the Preferred division in a class, those dogs will compete with dogs at the “regular” height (8P will compete with 12 Reg).

AKC agility Master rules will apply for the qualifying rounds with the following exceptions:

- Course Faults: A refusal (excluding T2B), runout, wrong course, missed contact and dropped bar will result in a 5-point deduction. Any run with an Excusal (E) will result in a score of zero. Course time deductions equal 3 points for every second over course time, truncating down to whole seconds.

For the Finals only:

- Course Faults: A refusal, runout, wrong course, missed contact, and dropped bar will result in a 5-point deduction. Not completing or skipping an obstacle will be signaled with a short whistle (you may complete the course). Score will be zero (no score).
- All obstacles must be completed or a score of zero will be assessed.
- You must have a score above zero to win any prize/ribbon in the Championship Finals.

For entry in the Finals, any ties from Friday will be broken based on times. Time 2 Beat times will be used as the first tiebreaker. The Regular JWW class times will be used as the second tie breaker, and the times from the Standard Class will be used next.

Ties from the Premier Standard class on Saturday will be broken based on time. If there is still a tie, we will use the aggregate scores from Friday’s round, and then using the tie-breaker logic for Saturday.

Dogs will run in reverse order of placement in the Finals, with the winner of the Premier (Challenger) Class running first.

Note: Scores from the Finals will not count towards any AKC titles. All other issues will be resolved by the Championship Committee.

Submitter's Name: _____

Must be received by November 1.

FOR EXHIBITION ONLY (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring.
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

FIX AND GO ON

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

HEIGHT DIVISIONS: Owners/agents are responsible for entering the proper height divisions. All height divisions will be offered. Dogs in the Preferred classes must jump their measured height. They are not allowed to jump in a higher height unlike dogs in the Regular classes. If you are unsure of your height or your dog is borderline and you don't have a height card, please enter the lower height and if necessary, the judge will move you up.

	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
24C"	n/a	Dogs who measure into the 8" through 20" Regular jump height divisions may opt to enter the 24-choice height division at the owner's discretion. Dogs measuring into the 24" Regular jump height division may not enter 24-choice.

MOVEUPS & CANCELLATIONS: In order for move-ups and cancellations sent via email to be valid, exhibitors must receive an acknowledgement from the trial secretary. ***If you do not receive an acknowledgment, assume that your request has not been received.*** No refunds or changes will be made without the trial secretary's acknowledgement.

REFUNDS: After entries close, refund requests for bitches in season will be accepted when accompanied by a veterinarian's note. An administration fee of \$5.00 will be withheld. Refund requests, along with the veterinarian's note, must be received by the trial secretary no later than ½ hour prior to the start of the first class of the day. In the case of serious illness or injury to a dog, any refund requests accompanied by veterinary documentation will be reviewed by the committee. If a refund is granted, it will be 50 percent of the entry fees.

Electrical hookups are located throughout the fairgrounds. Although there is ample RV parking, the clubs do not guarantee availability. Standard electrical service around the Mallary Building and Better Living Center is 30 amps. Overloading the circuits will result in tripped breakers. *Restoring service may not be immediate, especially at night.*

Motorhomes and campers may move onto the grounds no earlier than two days prior to the start of the shows. You will be directed to the available lots for the shows. Certain areas of the grounds may be restricted. Storage and/or stock trucks may occupy the same space provided the same power source is utilized. Vehicles may not occupy a camper space in the designated camper lots. Gate 9 is open during show hours. Gate 1 near the Agawam bridge is open 24 hrs.

A dump station is available on the grounds at no charge. Please see a show official for its location. Please leave your parking areas clean by bagging all refuse and throwaway items.

IN ORDER TO PREVENT ADDITIONAL INCREASES in parking fees and **SEVERE RESTRICTIONS** on motorhome parking, **PLEASE RESPECT** Eastern States personnel, grounds, and equipment.

For any other questions, contact Debbie Loomis at windyhollow@charter.net.

VOLUNTEER INFO

Historically, the Thanksgiving Agility Cluster Trials have been the largest AKC agility shows in the country! Running four rings simultaneously requires many volunteers.

We know that not everyone is available to help at trials. However, because of its size, our event requires many volunteers to keep the rings moving. If you could squeeze in a little time to volunteer for a class or two, it would be a huge help and very much appreciated.

All workers will receive a **voucher for each class worked**. **AGAIN THIS YEAR, THE VOUCHERS CAN BE USED AS PAYMENT TO THE FOOD CONCESSION OR ANY VENDOR IN THE AGILITY BUILDING.**

There will be multiple shifts of workers to cover the larger classes.

THE WORKER SPREADSHEET WILL BE AVAILABLE ONLINE UNTIL NOVEMBER 21.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
