

SPECIAL ATTRACTION ON SATURDAY!!!

Retired Canine Demonstration. This year we want to have as many participants as we can and not make the trial day too long. So, we will have a short course for all the dogs (tunnel and a few jumps) with a pile of toys at the end, where your dog gets to select their favorite toy in the pile. A rosette (dog neck ribbon) will be awarded to all participating retired canines. Please submit a photo of your dog and a short bio, including all titles. We will have photos and bios posted upstairs for everyone to read at their leisure.

There is no fee for this demonstration. No dog entered in Retired Partners can be entered in the trial.
