

## LRC SPECIAL COMPETITIONS AND EVENTS

### COMPANION EVENT INVITATIONALS

These Top 20 Invitationals are special events offered at the Labrador Retriever Club National Specialty to showcase Labradors that excel in AKC Obedience, Agility, and Rally. The top-ranked Labradors from the previous calendar year will be invited to compete against each other at the National Specialty.

The invitees will be determined by the AKC TopDogs ranking system for Labradors in Obedience, Rally, Agility MACH and Agility PACH competition. Each dog will need to enter both trials for Obedience (excluding the Novice only trial on Tuesday) or both of the Rally trials on Tuesday (2024077312 and 2024077313), or both the Standard class and Jumpers With Weaves class for both Agility trials. Their Invitational placement will be based on the combined scores of the two classes entered. The classes eligible for an Invitational Championship are Obedience (Open, Utility, and UDX), Rally (Advanced, Excellent, and Master) and Agility (Master and Master Preferred) with the invitee with the top combined scores in that class being acknowledged as the 2024 LRC Invitational Champion for that class.

### TEAM COMPETITION

Saturday, September 28

Four dogs per team. Prizes for all levels. Join the fun!

Scores for Standard and JWW will be used to determine the winners. All teams must sign up online. Scores will automatically be tabulated. Click on TEAM on the Pawprint Trials website.
