## Confirmation Information

- Please verify all information at the bottom of this email. If there are any discrepancies in your entries, please contact [noreen@pawprinttrials.com](mailto:noreen@pawprinttrials.com) as soon as possible so she can correct the situation.
- No day-of entries will be accepted for additional runs, and no refunds will be issued for absences.

## Setup and Crating

- The Tails U Win building will be open for exhibitors to set up starting at 7:00am.
- Utility and Open obedience classes will run first from 8:00am through lunch time. The rings will be side by side in the large room in the back of the building. Novice and Beginner Novice obedience classes will run in those same rings in the afternoon after lunch, so Novice and Beginner Novice handlers should plan to arrive no earlier than 11:00am.
- Rally classes will begin with Master first at 8:00am, followed immediately by Excellent, Advanced, Intermediate, and Novice classes. Each class will have a 5 minute walkthrough for handlers. Rally will be set up in the front room by the Tails U Win Office, and all access to the Rally room will be from the crating room.
- There is a room dedicated for crating between the Obedience room and the Rally room. Space will be tight so please use the space as efficiently as possible, stacking crates where feasible. No large ex-pens please!
- Trick and CGC/CGCA evaluations will begin no earlier than 11:00am in the Daycare Room beyond the Obedience room. This room can be used for Utility & Open warm ups in the morning, so please be kind and share the space. All access to this room will be from the Obedience room.
- There will be paper "gate sheets" at each ring showing the run orders. Dogs are listed in jump height order for each run (small to tall). For classes which do not involve jumps, you can ignore the fake jump heights listed – they were just used to arrange the dogs in a manageable order.
- If you miss your run due to a conflict in another ring, just inform the judge/stewards and we will work around your availability as best we can.
- Food, toys, props, training aids and helpers are allowed to be used in the rings. No prong collars, electronic collars, or other aversive devices are allowed, and anyone observed being harsh to a dog will be dismissed from the building.

## Food

- Pizza lunch, soda and water will be provided for judges, stewards, and workers only. Exhibitors should plan to bring your own food and beverages.
- There will be no food or water available to purchase.

## Facility Information and Parking

- Please park in the rear of the building using the driveway that runs between Tails U Win and the Spice Mill. DO NOT park on the Elicit Brewery side of the property or in any of the parking spaces along the Tails U Win property on the Elicit Brewery side. All exhibitors should enter the building via the rear of the building using the loading dock stairs or the ramp around the corner.
- Please exercise your dogs on the grassy areas outside the Tails U Win building. DO NOT walk your dogs on any other properties surrounding Tails U Win. Please remember to pick up all poop and dispose of it properly in the bins outside on the property.
- There is NO smoking anywhere on the Tails U Win property.
