Northeast Agility Championship

Challenger's Round

THE NORTHEAST AGILITY CHAMPIONSHIP (Optional)

Purpose: To give our competitors at the Cluster the “look and feel” of what it is like to compete at the Nationals, we are offering our own version of the Nationals. Whether you have qualified for the Nationals or not, you may compete in our Northeast Agility Championship. PLEASE NOTE, THIS IS OPTIONAL. You may enter classes as you would normally and choose not to enter the Championship/Finals.

Who is eligible: Event is open to all teams eligible to compete in the Excellent and Master Class for Standard and JWW.

Divisions: There will be 10 separate divisions based on jump heights. There will be 5 Regular jump heights (8, 12, 16, 20, and 24) and 5 Preferred jump heights (4, 8, 12, 16, and 20). The 24C class will NOT be offered. There must be at least 4 dogs entered in each Preferred division or that division will be combined with the “Regular” height. (ex. 8P will compete with 12” dogs if there are not at least four dogs entered in the 8P class)

How to Enter: If you wish to compete in The Northeast Agility Championship, you must be entered in the Standard, JWW, and T2B classes for Friday AND Premier Standard on Saturday.

Those are the classes that will determine your score to qualify for the Finals. You may enter other classes as well, but only scores from those classes will count towards your eligibility for the finals.

Jr. Handlers: Cumulative overall winners from each scored jump height (4, 8, 12, 16, 20, 24) will be invited to compete in the Finals. If a junior entrant competes in the Finals round, an additional Finals entrant will be added as if the Junior entrant was not included.

Finals: The Finals will be held after all classes have finished on Saturday. A decorated bar will be awarded to the winner in each division. Special rosettes will be awarded for first, second, and third place. Cash prizes of \$50/\$30/\$20 for first/second/third place.

Fees: The fees for the regular classes are stated in the premium. If you wish to compete for the Championship, please check the appropriate box.

What else do you need to know: This trial will run as a normal trial. You may enter this trial even if you have no aspirations of competing in the Championship. The Championship is only for those exhibitors who choose to enter. For example, there may be 30 dogs in a height/class; of those 30 dogs, perhaps only 10 are entered in the Championship. The class will function as it normally would. The only difference is that the scores for the 10 dogs entered in the Championship will serve a dual purpose in that they will also be used in qualifying for the Finals.

Description and Scoring

The competition will consist of:

FRIDAY

Round 1 – Standard Class

Round 2 – JWW Class

Round 3 – Time 2 Beat (Hybrid)

SATURDAY

Round 4 – Premier STD (Challenger)

Round 5 – Finals

Scores for Friday will be the aggregate scores from Rounds 1, 2 and 3. The top scoring 25% of teams entered in the Championship in each division, minimum of 4 teams (if possible) and not to exceed 12 teams, will advance to the Finals on Saturday. Of the next top 5 scoring teams from Friday, we will take the top scoring team in each division from Saturday’s Premier Standard class and place them in the finals. In the event there are less than 4 dogs entered in the Preferred division in a class, those dogs will compete with dogs at the “regular” height (8P will compete with 12 Reg).

AKC agility Master rules will apply for the qualifying rounds with the following exceptions:

- o Course Faults: A refusal (excluding T2B), runout, wrong course, missed contact and dropped bar will result in a 5-point deduction. Any run with an Excusal (E) will result in a score of zero. Course time deductions equal 3 points for every second over course time, truncating down to whole seconds.

For the Finals only:

- o Course Faults: A refusal, runout, wrong course, missed contact, and dropped bar will result in a 5-point deduction. Not completing or skipping an obstacle will be signaled with a short whistle (you may complete the course). Score will be zero (no score).
- o All obstacles must be completed or a score of zero will be assessed.
- o You must have a score above zero to win any prize/ribbon in the Championship Finals.

For entry in the Finals, any ties from Friday will be broken based on times. Time 2 Beat times will be used as the first tiebreaker. The Regular JWW class times will be used as the second tie breaker, and the times from the Standard Class will be used next.

Ties from the Premier Standard class on Saturday will be broken based on time. If there is still a tie, we will use the aggregate scores from Friday’s round, and then using the tie-breaker logic for Saturday.

Dogs will run in reverse order of placement in the Finals, with the winner of the Premier (Challenger) Class running first.

Note: Scores from the Finals will not count towards any AKC titles. All other issues will be resolved by the Championship Committee.

HEIGHT DIVISIONS: Owners/agents are responsible for entering the proper height divisions. All height divisions will be offered. Dogs in the Preferred classes must jump their measured height. Unlike dogs in the Regular class, Preferred dogs are not permitted to jump in a higher height. If you are unsure of your dog's height or your dog is borderline and you don't have a height card, please enter the lower height. If necessary, the judge will move the dog up.

MOVEUPS & CANCELLATIONS: In order for move-ups and cancellations sent via email to be valid, exhibitors must receive an acknowledgement from the trial secretary. **If you do not receive an acknowledgment, assume that your request has not been received.** No refunds or changes will be made without the trial secretary's acknowledgement.

Refund requests, along with the veterinarian's note, must be received by the trial secretary no later than ½ hour prior to the start of the first class of the day. In the case of serious illness or injury to a dog, any refund requests accompanied by veterinary documentation will be reviewed by the committee. If a refund is granted, it will be 50 percent of the entry fees.

AKC RULES: All exhibitors should obtain a copy of the Regulations for Agility Trials by contacting the American Kennel Club, 8051 Arco Corporate Drive, Suite 100, Raleigh, NC 27617-3390, by email at info@akc.org, by phone (919) 233-9767 or on their website at www.akc.org.

EXHIBITORS SHOULD FOLLOW THEIR VETERINARIAN'S RECOMMENDATION TO ENSURE THEIR DOGS ARE FREE OF INTERNAL AND EXTERNAL PARASITES, ANY COMMUNICABLE DISEASES, AND HAVE APPROPRIATE VACCINATIONS.

ALL-AMERICAN DOGS: Owners of All-American dogs must obtain an AKC Canine Partners listing number before they may enter an AKC agility event. **UNDER "BREED" ON THE ENTRY FORM, DOGS MUST BE LISTED AS "ALL AMERICAN" AND NOT AS A BREED HYBRID.**

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone, or need help, please call 800-656-HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

ENTERING FOR EXHIBITION ONLY (FEO) – EFFECTIVE 7/1/24

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes at this trial. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may also be declared earlier (ex. when checking in at the gate board).

FIX AND GO ON (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

ERRORS ON ENTRY BLANKS-Owners are responsible for errors in making out entry forms, and no entry fee will be refunded in event of such errors or cancellation of entries after trial has closed.

VOLUNTEER INFO

Historically, the Thanksgiving Agility Cluster Trials have been the largest AKC agility shows in the country! Running four rings simultaneously requires many volunteers.

We know that not everyone is available to help at trials. However, because of its size, our event requires many volunteers to keep the rings moving. If you could squeeze in a little time to volunteer for a class or two, it would be a huge help and very much appreciated.

****All workers will receive worker tickets for each class worked.****

AGAIN THIS YEAR, THE VOUCHERS CAN BE USED AS PAYMENT TO THE FOOD CONCESSION OR ANY VENDOR IN THE AGILITY BUILDING.

There will be multiple shifts of workers to cover the larger classes.

THE WORKER SPREADSHEET WILL BE AVAILABLE ONLINE UNTIL NOVEMBER 18.

I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. In consideration of the acceptance of this entry and of the holding of this event and of the opportunity to have the dog judged and to win prizes, ribbons, or trophies, I (we) agree to hold the AKC, the event-giving club, their members, directors, governors, officers, agents, superintendents or event secretary and the owner and/or lessor of the premises and any provider of services that are necessary to hold this event and any employees or volunteers of the aforementioned parties, and any AKC approved judge, judging at this event, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or about the event premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim; and I (we) further agree to hold the aforementioned parties harmless from any claim for loss, injury or damage to this dog.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
