Jump Height Cards

- All dogs competing in agility must possess an Official AKC or valid yellow measuring form.
- This trial **does not have a VMO** (Volunteer Measuring Official). The Judge of Record will need to measure all dogs that do not have cards prior to the first run for the dog that day per Chapter 2, Section 5, Paragraph 5.
- The following exceptions apply, because there is no VMO present.
 - If your dog measures over 22", your dog does not need to be measured for this weekend.
 - If your dog is over the age of 2 and has ONE permanent measurement, your dog does not need to be measured for this weekend.
- All other dogs that do not possess an Official AKC or valid yellow measuring form must be measured by the Judge of Record prior to running.
- This measurement is valid for this trial only, including all days.
- Measuring will occur throughout the day. Please arrive in plenty of time to be measured before you walk the course.
- Please refer to [AKC Measuring Info](#) and [PawPrint Trial Novice Info](#) for additional information.

Prior-Day Check-In

- You may check in the day before the trial online by clicking Prior-Day Check-In at the top of my website. You may check yourself in or mark yourself Absent, if you know you will be unable to attend. This will decrease the number of people crowding around the gate sheets. Prior-Day Check-In will only show the day before the trial and is available from noon-5pm only. After 5pm, this feature will be shut off to allow us to print gate sheets for the next day.
- You can receive a text alert, at noon, as a reminder to check-in. You may enable this feature by going to my website, click on your name and then ALERTS. **(LINK TO PAW PRINTS???)**

Real-Time Run Order

- Real-Time Run-Order will be in use for this trial. Click on Run-Order at the top of my screen each day. The run order will update every few minutes. This will allow you to plan when you will be in the ring with your dog.

Results Matter

- All results will continue to be posted after the trial. This feature will keep track of results for your dog. You may access these results by clicking on your dog's name in your record OR by clicking on **My Entries/Results**. Results will be posted throughout the day.
- You can get a text alert with your results sent directly to your phone, by the end of each class. Sign up for Alerts by clicking on your name, then **Alerts**. You may choose to only receive alerts with Qualifying scores!

Maps

- Per the club, there will be no paper copies for maps. Copies will be posted on the wall.
